20. ABSTRACT (Continue on reverse side if necessary and identify by block number) This bibliography presents books and periodical articles written on the subject of Czechoslovakia, Hungary, and Poland which provide background information on why they have been under the Soviet sphere of influence for nearly half a century. Coverage ranges from military, diplomatic, to general treatments. Selections have been made from the holdings of the Morris Swett Library, USAFAS.		

FOREWORD

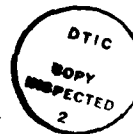

This bibliography presents materials for background reading on Czechoslovakia, Hungary, and Poland which have been under Soviet domination for nearly a half century. Coverage ranges from military to general treatment of the subjects. Selections have been made from the lithographic holdings of the Morris Swett Library, USAFAS.

Arrangement is in two parts. Part One indicates periodicals consulted in developing this number. Part Two presents books/periodicals cited. Inclusion of an item, or omission, does not imply USAFAS indorsement or sanction of the compiler's point-of-view nor does it guarantee accuracy of content. Comment and criticism concerning this list is solicited.
